

# Abundance Ritual for the Waxing Moon

Abundance Spell for the Waxing Gibbous Moon with Goddess Hecate

Ingredients:

- A white or yellow candle
- A small cauldron or fireproof container
- A piece of paper or parchment
- A pen or marker
- Dried herbs associated with abundance (e.g., cinnamon, basil, clove)
- A small dish or bowl of salt
- An offering for Goddess Hecate (e.g., a small piece of bread or a key)
- Matches or a lighter

Ritual:

Preparation:

Find a quiet and sacred space where you can perform the ritual undisturbed.

Set up your materials on a clean altar or surface.

Take a few deep breaths to center yourself and clear your mind.

Invocation of Goddess Hecate:

Light the candle and place it in the center of your altar or sacred space.

Hold your offering for Hecate in your hands and say: "Goddess Hecate, guardian of the crossroads, I invoke your presence and seek your abundant blessings. As the Waxing Gibbous Moon grows in power, I ask for your guidance and assistance in manifesting abundance in my life."

Writing your Intention:

Take the piece of paper or parchment and write down your intention for abundance. Be clear and specific about what you desire to attract into your life.

Once you have written your intention, fold the paper or parchment neatly.

Charging the Candle:

Hold the folded paper or parchment in your hands and focus your energy on your intention.

Visualize your intention as already manifested, feeling the emotions of abundance and fulfillment.

Place the paper or parchment near the candle and let it be charged by the candle's flame. Imagine the flame infusing your intention with energy.

#### Incantation to Hecate:

Sprinkle a pinch of the dried herbs onto the paper or parchment.

Light the paper or parchment with the candle flame and carefully drop it into the cauldron or fireproof container.

As the paper burns, say: "Goddess Hecate, hear my plea, I release this intention to thee. By the power of the Waxing Moon's light, May abundance manifest with all its might. As this paper turns to ash and smoke, So shall my desires effortlessly evoke."

#### Offering and Gratitude:

Place the offering for Goddess Hecate in front of the burning paper.

Express your gratitude to Hecate for her presence and assistance, saying: "Hecate, I offer this gift to you, In gratitude for your blessings so true. Thank you for your guidance and aid, May abundance flow to me unswayed."

#### Closing:

Allow the candle to burn down completely or snuff it out with a snuffer if you need to end the ritual sooner.

Take a moment to ground yourself and bask in the energy of abundance that you have invoked.

Dispose of the ashes from the burnt paper and any remnants of the ritual respectfully, either by burying them or scattering them in nature.

Remember, spells are most effective when combined with practical actions and a positive mindset. Stay open and receptive to the opportunities that come your way as you actively work towards your intentions.
